

## Priorities

Play allows us to develop alternatives to violence and despair; it helps us learn perseverance and gain optimism.

~Stuart Brown

Due to the drop-in nature of the program, we ask that an adult be home during the operation of the program in case your child decides to leave early.

To ensure that the quality of the program is maintained, strict age limits have been set for our sites. Children ages 6 - 12 are welcome to participate. We encourage you to assist our leaders by ensuring these age limits are met.

As this is an outdoor program, please ensure your child has weather appropriate clothing, a hat, running shoes, sunscreen and a personal water bottle.

Arrangements can be made for children with special needs. If you have any questions in this regard, please call Nicole at 329-0088.

The YWCA of Lethbridge and District is committed to providing programs and services that benefit women and their families. The YWCA is a not for profit, charitable organization.
